3. **LE K2 CHOGORI, VAL D'ISÈRE, FRANCE**
This little five-star hotel, which opens in December, will have 21 rooms and suites. There will also be a Peruvian-inspired restaurant, L'Altiplano, the 1954 Bar and the Goji Spa by Valmont for wellness treatments. A family affair, the hotel's interiors have been designed by ex-Formula Ford driver Thomas Capezzone, while his sister Emily is overseeing the restaurant and bar. *Doubles from £495, lek2chogori.com*
