

LE K2 ALTITUDE*****

Hotel Le K2 Altitude embodies the louche-lodge aesthetic with elegant interiors. Cream carpets, thick oat-hued curtains, and deep red accents create a sumptuously textured canvas. The rooms boast cutting-edge technology, and the hotel uniquely claims its chairlift to the Trois Valles playground. With a formation like a mountain hamlet, the main building and adjoining chalets feature chunky snow-laden roofs, blending seamlessly with the white-dusted pines on the edge of the Pralong piste.
