

Star-studded desserts

Courchevel is a resort for those who enjoy life, and during your stay, it is possible to discover new places, new atmospheres, and new flavours every day—such as a restaurant with star-studded desserts.

Le Sarkara**

Le Sarkara—a gastronomic patisserie restaurant with 2 Michelin stars, is a token of moving and unique moments.

In this magical and hushed place, nestled in the heart of the establishment, the pastry chef Sébastien Vauxion uses desserts to excel in his art form. Unique and absolutely modern, at Le Sarkara, the experience is more touching than ever before.
